We received an ACC Application this week from Robbie Roberson for review. The detailed specifications and a picture of the front elevation are attached. I have a full set of drawings for your review as well if needed. He purchased the first lot on the left coming into our subdivision on Bent Oak and indicated he wanted to start construction ASAP. Please respond with your approval and or comments. I will be available this week Tuesday-Thursday afternoons after 4:30 to review the drawings or I can drop them off this afternoon to the first responder if you would like them for your review, just let me know.

Thanks,
Jarome

I'll stop by tomorrow afternoon if that's ok. I'd like to see the site plan if he has one. Just to see placement of the home.

Looks good to me. Also please use allgooddoc@gmail.com for my email.

Thanks

Andy
